

HANDY HOME PRODUCTS®

It's Easy...It's Handy

**Do-It-Yourself
Wood Storage
Buildings and More!**

Handy Home Advantage

Why Handy Home?

Established in 1978, Handy Home Products is the leading manufacturer of ready-to-assemble wooden storage and recreational building kits. Experience the Handy Home advantage for yourself . . .

Fast & Easy

- Everything is pre-cut . . . nothing to saw!
- No special tools or carpentry skills needed
- Pre-assembled, pre-hung doors*
- Fully illustrated assembly instructions and toll-free consumer help-line

Strong & Durable

- Wood frame construction stands up to demanding wind and snow loads
- Engineered wood siding is environmentally friendly
- All wood is certified from well-maintained sustainable forests and treated to resist termites and decay for enhanced durability

Customize

- Strong wood framing accommodates a variety of readily available hooks, hangers, shelving and other organizational products
- Choose from a wide variety of attractive & functional accessories to fit your needs

Why Wood?

- Unmatched style & beauty
- Centuries of proven performance
- Made from renewable resources
- Paint and shingle to match your home (sold separately)
- Won't rust or dent like metal, or sag or buckle like plastic
- Meets demanding wind and snow loads
- Best value for the dollar!

Two Ways to Buy

1 In-stock . . . Take home today
Select models available to take with you today. See store associate for pricing and availability.

2 Special Order
Choose from a wide variety of styles and sizes, delivered to store within 3 weeks.

*Excludes some specialty buildings.

Series Comparison

Series Features		Marco	Legacy	Premier
Sizes	The widest variety of sizes to fit almost every need	64 sq ft – 160 sq ft	80 sq ft – 96 sq ft	80 sq ft – 288 sq ft
Wall framing	2x3 framing is strong and economical 2x4 framing provides greater strength and durability	2x3	2x4	2x4
Side wall height	6' high walls – accommodate long-handled tools 7' high walls – approximately 20% more storage	6'	6' 4"	7'
Floor system	Complete floor: 2x4 treated frame, 16" o.c. joist spacing with OSB floor decking	Purchase with or without floor	Purchase with or without floor	Purchase with or without floor
Door opening	One of the largest standard door openings in the industry	48" or 64" (depending on model)	48" or 56" (depending on model)	64"
Door hardware	Features full length continuous hinges and 100% galvanized-coated fasteners. Door handle varies with series	Swivel hasp	Locking handle	Premium locking handle
Siding	Treated wood siding resists termites and decay. Comes primed and ready to paint	Standard	Standard	Standard
Material warranty	See written warranty for details	10-yr.	12-yr.	15-yr.

Before finalizing your purchase, always contact your local building code authority and homeowner's association to check your local requirements. You may need to provide additional materials/modifications to meet your local requirements.
